Hooe's Old Motor Club

News Letter

DEC 1995.

Winter 1995

Good news for once on the road tax front - I'm not certain of the exact details yet, but somebody must be on our side.

This has not been a good year for the club. The only real thing that has kept us going has been Ron Fellows' enthusiasm and hard work.

The Treasure Hunt in June was not well attended. It was won by Brian Savile. Not only did he win outright, but he would have won just by turning up as he was the only one in a vintage car and thus gained a ten point advantage by any other entrants.

The September meeting was attended by only four members, not much in November and the October meeting actually managed around sixteen people for the talk on Penrite Oils which was very interesting by all accounts. I was sorry not to be able to attend due to another commitment.

Looking ahead -

In January will be the New Year buffet in the club room on the fifth. Food and a drink on the club. If you have not let Ron know, then please do so.

The February meet will be a quiz for which I will set the questions. Let's try and have a good turnout for this. It will either be thoroughly enjoyable for lots of people or a dismal affair for half a dozen of us.

This takes us up to March and the social event of the year - the annual dinner. This year it will be held at the White Hart at Netherfield, at seven thirty on the second of March. Menus are enclosed and the club will subsidise each meal to the tune of five pounds. Please do not mix menus and return your choice of menu to Ron Fellows with payment by the end of January. The dinner will take the place of the March meeting.

April - A.G.M. What can I say except please come.

A very sad piece of news now. Mrs. Ripley, wife of ~~Stan~~ ^{SID} Ripley died just recently and will be sadly missed, especially at our rally. Mr. and Mrs. Ripley were well known at the rally having been at every one since its inception. Our sympathy to ~~Stan~~ ^{SID} for the loss of his lovely partner.

See you all in the new year.
