

HOOE'S OLD MOTOR CLUB

NEWS LETTER - NOVEMBER 1998

Dear Club Member,

I would like to start by welcoming our new members who are reading this newsletter for the first time.

You will notice from the balance sheet for this years' Rally that we made a small profit and a presentation was made to Kidney Research at the Rally, we hope to do the same again each year

Over the last few years we have had seven or eight active members either retire or move away from the area. This has meant that there are less people available to help, and we have found it difficult to put on the rally. To keep the rally and the Club going we need support from the members, it's not that difficult.

This year the rally weekend will be:-

Friday 30th July. Rally preparation.
Saturday 31st July. Preparation.
Sunday 1st August. Rally Day.

If you can display posters in your area, just before the rally. Please let me know and how many and of what kind you want.

Help is needed for all three days or whatever you can manage. This year we can give out information and answer questions Club Nights at the Red Lion. New ideas are always welcome.

Please let me know of any change in your address, or if I have your address wrong.
