

HOOE'S OLD MOTOR CLUB

NEWS LETTER - JUNE 1999

Dear Club Member,

After a successful year we are now moving forward to another rally. This will be our THIRTIETH year, and as you will see from the enclosed letter from our chairman we need your help to make it a success. Please read the letter, even if you can only help for a short time your efforts will be appreciated.

This year the Rally Field has been increased in size, which will mean that we have more space available for public parking on the same field. The field is looking in good shape thanks to Paul Fuller who has been busy cutting the grass. I would like to thank him on behalf of the Club and Committee for his hard work. With this in mind, I would ask for your help in leaving the field in as good condition as you find it.
