

HOOES OLD MOTOR CLUB

This is not intended to be a newsletter but a few notes,

After my practice sheet last time I just might get it right I keep persevering with this computer I must get it right one day if I live long enough, Chris Hone gave us a excellent talk on the subject of bee,s and bee keeping ,very interesting, and informative thank you Chris and well done

Terence Wakelin [the vicar] or better known as brown boots, won the best bike award at the Brighton charity run for the 2nd year, and now at Eastbourne as well The club has now purchased its own marquee for use at the show or any other event where we might need it, Charity donations from last years show have been paid out to, Pevensey , local stroke association, Macmillan nurses, in support of Pauline's, efforts, and BEN £200 to each of these charities was agreed at the AGM, The show plans are well advanced for this year, the committee decided that as this is the 40th year we would have a larger plaque with 40th year on it, the show still is a great favorite, it has stood the test of time and, is, what every one enjoys. I feel it was well worth keeping it going. There has been a [rumor]? going around that we as a club, are to join the EHVC , just to put it all straight, on behalf of the committee, and as chairman, this is complete news to us, we have no intention of joining up with anybody, Please support Julie with news and write ups and photographs in the news letter, Julie is again doing the show programme, all adverts etc, to her please ASAP, we are looking for one or two, to man the club stand this year any volunteers to share this small job? Thank you to Reg and Alan on the history of AUSTIN last meeting see you later with the 2nd half we will look forward to it. Ron Shrubbs charity run was very enjoyable just 25 miles and ending up just right for lunch at Deanland £ 100 was made for the kids with cancer Well done Ron and, thankyou.

FUTURE EVENTS

July 3rd HOOE Club BBQ at the Homestead 7pm bring own meats ladies will supply everything else, from their saved tea funds, they might have to charge a bit to balance out Im, told they spend around £ 150 on this event and the xmas party, Sue and Vickys Raffle also supports these events.

July 11 12th Ardingly.
