THE UNIVERSAL CAR

## SERVICE

MANY cars are sold without any service whatever, and the purchaser finds their upkeep expensive and unsatisfactory.

Some Motor Agents give slight service with the cars they sell, but NO MOTOR AGENT can offer a service equal to that given by the Authorised Ford Dealer with his trained Ford Mechanics, labour-saving Machinery and stock of genuine spare parts

If you contemplate buying a car, call and inspect the Eastbourne Ford Depot, built expressly for the service of Ford Owners, where the advantage of efficient service at fixed SCHEDULE CHARGES will be gladly demonstrated.
