## MESSAGE FROM THE PRESIDENT

I would like to welcome you all to our thirty – seventh annual Show at Hooe. It's thanks to the continuous support of the entrants, who have been coming to our Show, over the years, and also the new entrants, that makes our show such a success.

Hooe prides itself in having something for everyone. The Children's Art, a feature that no other show has, not only gives the children something to do, it also makes them appreciate and admire the vehicles they see. There are many bargains to be had at various stalls. The Lady and Vehicle event gives the ladies an opportunity to be creative, and of course the arena events are not to be missed.

I would like to thank the British Red Cross, East Sussex Fire and Rescue, Sussex Police, all members of Hooe's Old Motor Club and their wives, Hooe Silver Band and most importantly, **you**, the public who support us every year. Thank you. Enjoy the day with us, and have a safe journey home.

Ron Fellows. President

THE 2006 PLAQUE DEPICTS

*"The 1950 Lagonda 2.6 DHC was purchased in 1992 when it had probably not run for at least 15 years and restored by David Stone-Lee over the following twelve years. The car incorporates the 6 cylinder twin over head cam shaft engine the brain child of W.O. Bentley when he was Engineering Director for Lagonda and was the main reason for Aston-Martin purchasing Lagonda when it was in receivership in 1947 as they wanted a*
